Call for Papers:

GERMAN POLISH SEMINAR ON DATA ANALYSIS AND APPLICATIONS 2017

UNIVERSITY OF ECONOMICS, WROCLAW, POLAND

We invite you to the Fourth German Polish Seminar on Data Analysis and Applications (following Aachen, Krakow and Dresden seminars) that will take place in Wroclaw, on September 26, 2017 (Tuesday). The seminar will precede European Classification and Data Analysis Conference 2017 (ECDA2017), which will take place in Wroclaw, on September 27-29, 2017.

Publication:

- Argumenta Oeconomica - journal in economic sciences listed in the JCR list, with Impact Factor (few selected papers)
- Research Papers of Wroclaw University of Economics
- Archives of Data Science

Fee:

The participation in the seminar is free of charge*.

* the participants cover travel and accommodation costs, as well as pay fee for publication.

The seminar is pleased to be partnering with Rector of Wroclaw University of Economics and Committee of Statistics and Econometrics of Polish Academy of Sciences.
